

Piotr Patryk Blaszczyk

Porsgrunn, Norway · piaskowski1993@gmail.com · github.com/piaskowski1993-source

Summary

Practical, reliable and solution-oriented, with broad experience in assembly, maintenance and welding in both industry and construction. I do my best work solving technical problems and delivering solid results as part of a team. Strong work ethic, good teamwork, and a real interest in quality, safety and efficiency.
